CHAPTER 85 LAST TRICK
POOF
With the summoning seal on Iruma's right hand... familiar Kallego is summoned!!
!?
grab!
OI!! IRU--!!
We have to deal with it soon Fluffy!! You're very fluffy-fluffy!!
The beasts have merged. This is bad, Fluff-Kallego-kun!
Now then, Kallego-kun!!
Let's combine our powers like the old days and defeat the enemy!
Calm down Shichirou!!
Wait! Argh! This was your idea wasn't it!?
No can do.
Iruma!! Undo the summoning--!!
If you're released now you'll be returned to where you were.
Look.
We have to kill that.
Three high-rank demons
Why do you keep me!?
Even for them
But still...
This could be a death match!
Cooperate up close.
This battle will be long!!
Whose fault is that...
HUG
KICK
CLAW
Wrath's
Cerberus
Nigyul
!!
K.O. !!!
Each one just beat it up themselves
Grown-ups are...
Cooperation? More like...
Somehow Cerberus also got a lot cuter, huh
Ruthless...
But,
with this...
Finally...!
The beasts were annihilated?
They were beaten even in their merged form...
Yes.
In such a short time?
It seems there are several high-ranked demons here...
Ain't this bad-?
......
We gotta wreck Walter Park accordin' to the plan, right?
We just have to speed up.
The rest shouldn't be a problem.
Even up there?
Yup
There's still one last trick left...
This beast is the child we bred from our wicked magic.
And so,
This is...
No...
It's still alive!?
Agares!!
To release everything in self-destruct!!
It's accumulating leftover magic from its body.
Get in!!
You'll suffer less damage!!
If you go underground,
The blast will burn everything!!
Most likely it will obliterate half of Walter Park.
What will happen if that amount of magic is fired...?
Wait! That direction is...!!
It's straight to the shelter!!
We should at least divert the direction of the blast...!!
Just one hit to its face...!
That thing is already a magical bomb!
If you attack it, it will explode!!
Cut it out, you fools!!
It's too far!
Even if we tell them, there'll be no time to escape...
Is there any way to inform those in the shelter...!?
But that's...
Then... can we do something about the beast...
Iruma-kun!!
We can't do anything.
It's too late.
It will...
FIRE!!
STOP IT ALREADY,
YOU STUPID BEAST!
Invading my garden!?
And even hurting the people!!
How dare you!
Break into the greatest park my legend-daddy made for me...
You... you villain!
shake
I, Ronove Lomiere, will never forgive you!!
You!! Who tramples our "pleasure"...
Bloodline Magic "Charisma": Enables Ronove to gather surrounding gaze to him in an instant.
Great! It no longer targets the shelter!!
Ronove did it!!
Come on!!
Look at me!!
Think about this...
Sure thing, partner!
Can you do it!? Ali-san!!
